Parent's Guide to Children's Entertainment

..as far as his fans, children, are concerned, he's bigger than Garth Brooks or Whitney Houston...He's a good singer with a great sense of humor, and, best of all, this video has a lot of variety (something usually missing from filmed concerts)...If you're looking for a fun way to spend the evening with your family in front of the TV, you've got a front row seat to one of the best.

L.A. Parent

Every aspect of this splendid show celebrates pure, unadulterated, dazzling entertainment that is fun for the whole family.

Baltimore's Child

Joe Scruggs's...song "Bahamas Pajamas" is simply one of the most clever children's songs I have ever heard. This tape will please children from 3 to 10 (even my 11 year old was caught enjoying himself!)
